اختبار الفصل الأول

◆ تفوّق

المدة: ساعة ونصف

المستوى: السنة الثانية متوسط

السنة الدراسية: 2025/2026

Dear Karim,

I'm sorry you feel tired all the time. I think you should change some of your habits. You eat too many sweets and you drink a lot of fizzy drinks. You don't eat much fruit, and you never have breakfast. That's not healthy! You should eat some vegetables every day and drink a lot of water. You shouldn't stay up late playing video games. Why don't you join our football team? We train twice a week.

Take care,

Yacine
