اختبار الفصل الأول

اختبار في مادة: اللغة الإنجليزية

◆ تفوّق

المدة: ساعتان

المستوى: السنة الأولى ثانوي

السنة الدراسية: 2025/2026

Dear Amina,

Thank you for your nice letter. I'm writing to you from my bedroom in Montreal. It's very cold here now, and it's snowing outside! I go to a big secondary school near my house. I usually take the bus, but today my father is driving me because the streets are icy.

At school, I study French and English because both languages are official in Canada. My favourite subject is biology. In my free time, I play ice hockey with my friends and I read a lot. This month, I'm reading a book about the Sahara. It's fascinating! Is it really very hot there in summer?

Please tell me more about your town, your school and the dishes you eat. Write soon!

Best wishes,
Sarah
